

Following a Ministerial announcement made on 03 November 2014, the Department for Work and Pensions (DWP) has reviewed its policy on the recovery of overpayments that have arisen due to fraud. The Minister announced that customers, who have admitted fraud, would no longer be able to request that their rate of repayment is reduced because they are suffering from financial hardship. This means that those who commit fraud will have to repay any resultant overpayments at the maximum rate allowable under DWP regulations.
