Dear

As you are currently claiming Employment Support Allowance (ESA), we are writing to inform you about the options available to you whilst claiming benefit.

I have outlined some of the support currently on offer to customers with a health condition or disability below.

- Jobcentre Plus Advisory support,
- Access to Work,
- Work Choice,
- Residential Training,
- Work Clubs,
- Work Together (Volunteering),
- National Careers Service,
- Work Trials if appropriate
- Help and Support on our own Digital Suite

If you would to access our support then we can arrange an appointment with our ESA Adviser. This is on a voluntary basis and can be face to face or via the telephone.

If you would like to discuss this please contact Martin Gregory on 0161 248 2875.

Many Thanks

M Gregory
