Incapacity Reference Guide Group listing (IRG)

1. The IRG list by disease grouping has been produced as an alternative to the IRG Alphabetical listings.
2. On accessing the IRG Group listing, click either on the box displayed or use the headings along the bottom of the document.
3. To move from one group to a different group use either:
 - the 'Back to Index' button in column I or
 - the headings along the bottom of the document.
4. Using the back button will close the document.
5. Information on using the IRG has not changed.
