Dear Owen Stevens

Earlier today we attempted to issue you with a revised Internal Review response to the following WDTK address : request-805093-d64fd082@whatdotheyknow.com. Unfortunately our response has not been delivered so it would appear that this record is now closed.

For expediency we are using the only other contact details that we hold. If you would prefer to receive this response to your WDTK record can you please make arrangements for that account to be reopened and notify us when that is done.

A copy of this response is also being provided to the ICO today.

Yours sincerely,

DWP Central FoI Team
