

Confirmation of retirement benefits

We've sent your adviser a copy of this for their information.

We're pleased to confirm that your Standard Life plan has been used to provide your retirement benefits.

Pension benefits

Tax free lump sum	£14,965.98
Drawdown pot	£16,891.86
Total fund	£31,857.84

A drawdown pension means that you take your income straight out of your pension plan instead of buying an annuity. It's also known as income withdrawal.

You've asked us to transfer your drawdown pot to Standard Life SIPP. This means that no benefits remain under your Standard Life plan number H8067000163.
