Directions :

(i) The Tribunal considers that it may be helpful in deciding your appeal if they had copies of your GP notes including letters from Consultants, Hospitals and other health care professionals who are treating you. You are now entitled to make a request for these from your GP free of charge under the General Data Protection Regulations (GDPR). If you are willing to obtain copies of your GP notes the tribunal would like to see the notes only for the period from 1/1/2017 to 1/1/2019. You can show this Directions notice to your GP to explain what the Tribunal has decided.

If you decide to provide your medical notes you must ask your GP practice for them urgently and you must send them to HMCTS within 28 days. If you have problems obtaining the records or need longer, please contact HMCTS to explain what the problem is before the end of 28 days.
